Our mission

Inspirational education for all
A worldwide crisis

Every country in the world is facing shortage of teachers
Digital transformation

Offers new perspectives....
but most of them fail
Teacher shortage

we cannot solve our problems with the same thinking we used when we created them

~ Albert Einstein
Digital transformation

Education has to transform itself

Empower teachers to teach differently and inspire learners to learn differently!
Utrecht Education Model

- Personalised education
- Co-creation
- Blended learning
Co-creation: digital learning communities

- Students with students
- Students with teachers
- Teachers with teachers
- Institutes with institutes
- Institutes with corporate organisations
- National and international
Co-creation: Eurekos - our digital platform

- Co-creation to design digital content
- Co-learning
- Empower teachers to create digital content
- Easy to use

Over 100,000 users worldwide
Archimedes Open Content in the Netherlands

Creating a digital learning community

Facilitates Co-creation
